**CALGARY AND DISTRICT
CENTENNIAL
PLANETARIUM**

CENTENNIAL

Because of its central location, Mewata Park was chosen as the site of Calgary's Centennial project. The finished complex will cost \$1,400,000. Ramps and elevators will make all areas accessible to pedestrians and wheel chair visitors. The Parks Department of the City of Calgary will maintain the Planetarium. In this imaginative project, there will be:

- * A central plaza and display museum which separates the two main wings. Both free standing and suspended exhibits will be changed from time to time to provide variety.
- * A library and classroom will be found in the Administration Wing.
- * A lecture hall seating 250 people. It will be completely equipped to show movies and slides and also be available for a variety of functions.
- * A tracking telescope connected to closed circuit television sets scattered throughout the building will enable the visitors to view such phenomena as eclipses under ideal conditions.
- * A Celestial Theatre which will contain the Zeiss/Jena projector, the heart of the planetarium. This ingenious and complicated mobile optical device can, on the overhead 65 foot dome, produce artificial skies in three dimensions.
- * Images of the stars, planets, the moon, sun, plus most of the celestial inhabitants of the universe can be portrayed in a static or mobile fashion in all their seasonal variations of position and movement. The view will be clear, unmarred by cloud or weather.
- * The observation deck will have five permanent telescopes for the public and a movable roof which will be motor operated.

This inventive project will be an elegant and useful Confederation birthday gift to the citizens of Calgary and district.

YOUR JOB IS IMPORTANT – OTHERWISE IT WOULDN'T EXIST

One of the most common errors in twentieth century thinking is the belief that in modern business there is no place for individual initiative and pride in performance. This is not so.

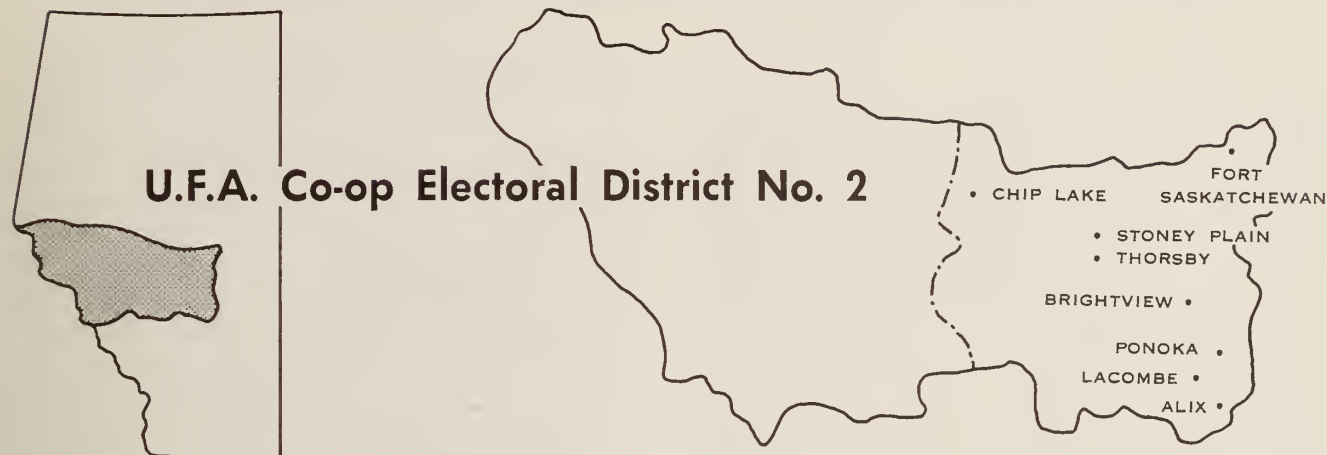

Everyday we find proof that the individual's pride of performance is important. We may walk into one bank where the attitudes are cold and impersonal while in the bank across the street the people are efficient as well as warm and friendly and desirous of being helpful. In a store you will find clerks who don't seem to care a hoot about the customers or the merchandise; while in another shop, the sales people make it apparent they welcome your business and the chance to show you the goods they have to offer. These contrasts are the result of differences in pride of performance.

The greatest of all inducements to pride in performance is simply the matter of realizing that *each individual job is important otherwise the job would not exist*. Your job is necessary to the company's operation. *How* you do this job gives our company its reputation.

The right to excel is open to every man or woman and when you do something that is above average it indicates quality thinking — whether it be to take a hand in an idea that results in better service or handling a routine job in an efficient manner.

Constructive planning, good training and careful supervision will help you develop in your work. However your individual initiative, the maturity you show towards the responsibility of teamwork and the very important pride of performance in your job — this will bring the feeling of satisfaction that comes from doing a job and doing it well.

SALUTE TO ALBERTA'S PARKLAND

The west-central portion of the province reflects the current and growing diversity of Alberta's economy. A prosperous farm industry has long been established in District No. 2 of U.F.A. Co-op. Recent years have added dramatic developments — farming has expanded west into the timbered foothills of the mountains — petroleum discovered in the famous Leduc field — a pulp industry at Hinton and a thriving tourist trade that is prominent throughout the entire picturesque Parkland. Here indeed is proof that where agriculture pioneers, industry also prospers.

EWEN McDONALD — Director, District No. 2

Our hale and hearty Scotsman on the Board of Directors was born in Inverness, Scotland. He came with his parents to the Alix district when he was a youth and has lived there ever since.

Mr. McDonald's land is located at N $\frac{1}{2}$ 30-38-23W4 and consists of six quarters. He rents the farm to his sons and he maintains a small brood sow operation. Mr. McDonald joined the Canadian Army in 1939, saw action in Sicily, Italy and North-West Europe. He was discharged in 1945 with the rank of Sergeant. He has always been active in farm and service organizations having been a member of the Junior United Farmers of Alberta from 1928 - 1935, on the Board of Directors of the Clive Rural Electrification Association, past president of the Buffalo Lake Shipping Association, past president of the Mutual Telephone Co., delegate to the Central Alberta Dairy Pool, District Deputy Grand Master of the Independent Order of Odd-fellows and past president of the Alix Branch, Canadian Legion.

Mr. McDonald and his wife have three children who are all married. Mr. McDonald enjoys woodwork, fishing, golf and serves on the board of directors of the Alix Golf and Country Association.

Success is getting what you want.
Happiness is wanting what you get.

LAWRENCE E. HENDERSON

Delegate from Subdistrict No. 8

Mr. Henderson is an enthusiastic delegate who not only takes an active interest in our Organization, but also devotes much time to community and farm organizations. His land where he farms a $\frac{1}{2}$ section of land, keeps Holstein cows, hogs, young replacement cattle and some steers on feed is located one mile west of Lacombe on Highway No. 12 and No. 2.

His service activities have included being Director and Chairman of the Board of the Lacombe Artificial Breeding Association, Director of the Lacombe 4-H Dairy Club, president of the Spruceville Farmers' Union of Alberta, Local 951 and a member of the Lacombe Farm Management Association.

Mr. Henderson is married and has three children, Steven 12, Bruce 10 and Beverly 9. He enjoys hunting, fishing, curling and travelling.

WILLIAM RUNTE

Delegate from Subdistrict No. 10

Mr. Runte's active interest and involvement with co-operatives stems from his youth. He was familiarized with them as a lad and Mr. Runte feels this influence sparked his interest and activities in co-operatives.

Some pertinent facts about Mr. Runte are that he lives on land located S.W. 34-40-25-W4 which is near Brightview. He raises Purebred Polled Shorthorns and feeding lambs and has won numerous prizes for sheep and swine at Edmonton, Camrose, Lloydminster, Vermilion and Red Deer.

His close affiliation with U.F.A. Co-op Ltd. began when he was in his teens. He belonged to the Junior U.F.A. from 1931-1936 and from 1939-1944 was a director of U.F.A. Co-op. In 1951 and 1952 he was a delegate and now again holds this position.

He also belongs to the Alberta Wheat Pool, Credit Union, Farmers' Union of Alberta, Co-op Store, C.C.-I.L., Canadian Wool Growers, Alberta Provincial Sheep Breeders, Alberta Livestock Commission, United Grain Growers and Co-op Seed Cleaners. He is married and has two sons, Earl and Norman.

U.F.A. Co-op Electoral District No. 2

ARTHUR SCHMIDEK — Thorsby **Delegate from Subdistrict No. 11**

A recently elected delegate to the United Farmers of Alberta is Mr. Arthur Schmidek. His farming operation is mixed and is located on the S.E. quarter, section 3-49-1-5. Mr. Schmidek is married and has three daughters.

He was born in the Medicine Hat district and has taken an active part in community life. He has been a church elder for twenty years and is presently chairman of the church building program. Mr. Schmidek was secretary-treasurer of the Mutual Telephone Company for five years and is president of the Thorsby Curling Club. His hobbies are carpentry, curling and fishing.

ELWOOD H. GALLOWAY — Fort Saskatchewan **Delegate from Subdistrict No. 12**

Mr. Galloway, his wife Miriam and their 4 children live on their farm located SE12-S4-23. Mr. Galloway farms in partners with his brother. They have primarily a grain farm with hogs, hay and seed grains.

Mr. Galloway is a 1949 graduate of the Vermilion School of Agriculture. He was secretary of the Yorkville Farmers' Union of Alberta for several years and on the local wheat pool committee. He belongs to the United Church and is a Member of Session and on the Sunday school teaching staff. In his spare time, he enjoys woodwork and coin collecting.

HERBERT KOTSCHEROFSKI — Stony Plain **Delegate from Subdistrict No. 13**

Mr. Kotscherofski has a mixed farming enterprise which is located on W½-S29-T-52-R-1-W-5-M. As well as grain farming, he raises hogs and dairy cattle.

When he was 18 years old, Mr. Kotscherofski was president of his local. He has expended a great deal of time in organizational work and can claim the distinction of organizing the first district team in Alberta. He has taken extension courses relating to community work and conducted related classes for adults and high school students.

Mr. Kotscherofski was instrumental in organizing the Stony Plain Livestock Shipping Association and the Stony Plain Co-op Luncheon Club. His wife and daughter have also been vitally interested in community work and Mrs. Kotscherofski has held responsible positions in the Farm Women's Union of Alberta.

Mr. Kotscherofski has been spokesman in the presentation of briefs to the Minister and acted on committees set up by country and district teams. He is affiliated with many co-operatives, among them the Northern Alberta Dairy Pool, Alberta Livestock Co-operative, The Wheat Pool, Co-op Locker Plant and president of his U.F.A. Co-op Local. He also writes many articles for newspapers.

GILBERT ROY GETSON — Chip Lake **Delegate from Subdistrict No. 14**

Mr. Getson raises Aberdeen-Angus and Registered cattle. He has won several awards at the Wildwood Agricultural Fair. In 1962, he was awarded the grand champion and reserve ribbon. In 1963 he won a first in registered cow and calf and his grain and fodder entries have been consistent winners from 1960-1964.

Mr. Getson served five years in the R.C.A.F. during the second World War and belongs to the Royal Canadian Air Force Association. He was district 5 delegate for the Farmers' Union of Alberta, president of the Wildwood and District Agriculture Association and chairman of the Chip Lake U.F.A. Co-op Local. He is a member of the Anglican Church, Canadian Legion, Elks, Home and School and the Aberdeen-Angus Association.

REPORT FROM THE BOARD **DECEMBER, 1966**

The Board of U.F.A. Co-op met on December 2nd, 1966. The General Manager reported sales for the first fiscal quarter of the year which ended October 31st were up \$692,000 or 8% compared to the first fiscal quarter of 1965.

Both the Petroleum and Farm Supply Division contributed to the increase. In September, 1966, petroleum sales of 7,726,000 gallons made this month the second highest on record.

A grant of \$1,000 to assist Western Co-operative College was approved.

All members of the Board are planning to attend the annual conventions of the Alberta Federation of Agriculture and the Canadian Federation of Agriculture.

The President reported he received acknowledgment of his letter to S. M. Gossage, Vice-President of the C.P.R. The letter was in regard to the shortage of livestock cars. Mr. Gossage advised he was making an investigation into the matter and will write Mr. Sayle when the studies are completed.

The next meeting of the Board will be held in Calgary on February 22 and 23rd, 1967.

The Board of Directors attended the Annual Convention of the Farmers' Union of Alberta held in Edmonton from December 5-9. Some of the senior members of our staff also attended.

The Board appreciates the work of this organization and likes to keep a personal touch between U.F.A. Co-op and the F.U.A.

GORDON CHISHOLM RECEIVES 15 YEAR SERVICE AWARD

W. McCARTNEY and G. CHISHOLM

Congratulations to Gordon Chisholm, Senior Supervisor of the Petroleum Division of U.F.A. Co-op on receiving his 15 year Service Award. The presentation was made by W. McCartney, General Manager.

Mr. Chisholm was born in Cereal, Alberta and lived on the family farm until he was 19 years old. He joined our Company in 1946 as a grocery clerk in the Calgary store. In 1947 he was transferred to the Morrin Branch and then to Acadia Valley as branch manager. In 1949 he became branch manager of the Three Hills store. He remained there until 1951 when he left U.F.A. Co-op's employ. He rejoined our Company in 1956 as Supervisor of the Calgary Petroleum Area. In 1957 he was transferred to Lethbridge, a year later to Grande Prairie, in 1962 to Red Deer and in 1964 to Calgary as Senior Supervisor.

Mr. Chisholm has certainly seen service in many of our outlets and he feels, "new employees should accept transfers eagerly and consider them new challenges as the experience will inevitably be rewarding."

The variety of practical training Mr. Chisholm received has been progressively extended by numerous courses. He has attended Leadership Training, Executive Development and Marketing Management Courses at the Banff School of Fine Arts and the Business Administration Course at Mount Royal College.

He and his wife Dorothy, their two sons Bob, 18 years and Don 15 years are members of the Northminster United Church where Mr. Chisholm is a member of the Committee of Stewards.

Mr. Chisholm is particularly interested in people, their achievements and the many factors that influence their activities.

His own progress up the U.F.A. Co-op ladder has certainly been noteworthy and the responsible position he now holds is indicative of the achievements he has accomplished in our company.

Congratulations on receiving your 15 year Service Award Mr. Chisholm and sincere wishes for more challenging and rewarding years with U.F.A. Co-op.

PAUL BABEY RE-ELECTED PRESIDENT OF THE FARMERS' UNION OF ALBERTA

At the Annual Meeting of the Farmers' Union of Alberta which was held at the Macdonald Hotel from December 5-9, Paul Babey, the young farmer from Beaverdam, was re-elected to his third term as President.

There were 409 official delegates registered at the successful convention. This year, the F.U.A. has shown a gratifying rise in its membership.

In attendance from U.F.A. Co-op were the President, Board of Directors and some of the senior staff members.

Congratulations to Mr. Babey. His dedicated efforts on behalf of the farmers of Alberta, his purposeful and intent leadership and his zealous devotion to his responsible position have certainly been noteworthy.

U.F.A. CO-OP QUALIFIES FOR AWARD

A plaque will be presented to U.F.A. Co-op by the United Fund. This plaque is in recognition of the outstanding contribution made to the fund by the staff of the Head Office and the Calgary Farm Supply Centre.

The per capita contribution of \$12.80 with 81% participation qualified the Calgary staff for this award to be presented in February.

The plaque will be engraved:

United Fund Award — 1966
To The Staff of U.F.A. Co-op
Campaign for Outstanding Citizenship

TAYLOR

ALSASK

DEL BONITA

**DEWBERRY
30 YEAR SERVICE AWARD**

NEAL JONES

Don't let his youthful looks fool you. Neal has been U.F.A. Co-op Bulk Petroleum Agent at Dewberry for 30 years.

Neal was born in Greenlawn, Alberta. He attended a one room school in Ellsworth and if Ellsworth was similar to most of the one room schools, he received a thorough basic schooling. In 1932 Neal graduated from the Vermilion School of Agriculture and worked for awhile on the farm. In 1934 he took over the Dewberry agency for the Alberta Oil Consumers and in 1936 became U.F.A. Co-op agent.

Neal is active in all phases of community life — a chartered member of the Dewberry Lions Club — school committee member on the County of Vermilion River-Elder in the United Church and the Mayor of Dewberry.

He has always been interested in sports and played hockey and baseball for Dewberry. He later coached both junior and senior teams in these sports.

Congratulations, Neal, on receiving your 30 year service award and every wish for your continued success with U.F.A. Co-op.

Driver No. 1: "What makes you so sure your wife doesn't like you anymore?"

Driver No. 2: "She bought me a deer-skin coat to wear when I go hunting."

a

PROGRESS AT PROVOST

This spring U.F.A. Co-op plans to open their 12th Farm Supply Centre at Provost. Progress is steady and the people of Provost are eagerly awaiting our new centre.

THE WAREHOUSE AND OFFICE SHOWROOM IS NOW CLOSED IN FOR INSIDE FINISHING.

Phil Philips — U.F.A. Building Contractor and George Duffy — Building Department Manager discuss, on location, the new Provost Farm Supply Centre which is progressing favorably. This particular day it was 15° below zero.

"I'm looking for adventure, excitement, beautiful women." cried the young man to his father as he prepared to leave home. "Don't try to stop me."

"Who's trying to stop you? shouted his father. "I'm going with you!"

THERE

TOP MAN

MIKE WIDYNOWSKI

MIKE WIDYNOWSKI and WARD SMITH

Mike Widynowski and his wife were the guests of honor at a dinner party held in the beautiful dining room at the top of the Caravan Motor Hotel in Edmonton on December 6, 1966. On this particular evening Mike's head may have been "in the clouds" but during the rest of the year it's "firmly on his shoulders."

This is evidenced by Mike's sales at the Edmonton Farm Supply Centre. He achieved sales of \$224,000 which placed him as the top Salesman in the Farm Supply Division of U.F.A. Co-op for 1966.

Attending the dinner were Lloyd Clark, Farm Supply Division Regional Operations Manager; Gordon Wenzel, Manager of the Edmonton Farm Supply Centre, and his wife; and Ward Smith, U.F.A. Co-op Farm Supply Division Manager, who on behalf of the company presented Mike with \$200.

Congratulations, Mike, on your successful efforts which won for you the coveted top spot — TOP SALESMAN OF THE FARM SUPPLY DIVISION FOR 1966.

BAYTREE

FARM SUPPLY DIVISION TRANSFERS

Dennis Canning, from Grande Prairie to Camrose
Byron O'Reilly, from Calgary to Stettler
Bruce Gould, from Lethbridge to Westlock

That was the year

*Some of the happenings at
U.F.A. Co-op in 1961*

JANUARY, 1961

The Farm Supply Centre in Grande Prairie has been in operation for three and one-half months. Rapidly increasing member support has produced results which exceeded expectations and a very successful operation is anticipated.

The Board of Directors approved in principle the development of a *Farm Supply Centre in Red Deer*. Negotiations for suitable land are progressing favorably with the city. Plans will be finalized upon acquisition of a satisfactory site.

Rebuilds have been completed at Drumheller, Milo, Youngstown, Dewberry and Vulcan. Other agencies to be rebuilt this year are Provost, Killam, Bawlf, Acadia Valley, Cereal, Eckville and Milk River. New agencies have been opened at Myrnam, Round Hill, Wildwood, Eaglesham and Athabasca is under construction.

Interest is growing in the Precutting service at the plant in Calgary. Round wooden water tanks and range feeders are the most popular items to date.

January 28, 1961. Necessary arrangements will be made to build a Farm Supply Centre in Lethbridge. U.F.A. Co-op will meet with Lethbridge city officials with a view to studying location of centre.

If the population explosion continues the whole world will be packed as close as this.

OPEN HOUSE

U.F.A. Co-op again held "Open House" this year — in fact there were 47 held throughout Alberta.

At each of the Open Houses there were attractive and informative displays from the Farm Supply and Petroleum Divisions which showed some of the items carried at our farm supply centres and petroleum bulk plants. Films and slides relating to various phases of U.F.A. Co-op were shown.

In attendance were the delegates from each sub-district and qualified Farm Supply, Petroleum Division and Information Service personnel who answered questions from the visitors.

Door prizes were given at each "Open House" and coffee and doughnuts served.

CAMROSE "OPEN HOUSE"

Gathering of some of the clan. Left to right: Herb Leicht — Hay Lakes Agent; Stanely Banack — Round Hill Agent; Palma Paulson — Gladstone agent; H. G. Mason — Camrose Agent; Mrs. Mason; Al Carder — Petroleum Area Supervisor.

Petroleum agents who attended Camrose "Open House" and Delegates (in the left corner) Bert Friend and (in the right corner) John Holmberg.

DRAYTON VALLEY

"Mac" sure gets around. His partner in coffee is Ron Jorgenson, U.F.A. Co-op bulk petroleum agent at Drayton Valley. The occasion was "OPEN HOUSE".

WAINWRIGHT "OPEN HOUSE"

Left to right: Ken Croskery — Manager of the Vermilion Farm Supply Centre; Al Carder — Petroleum Area Supervisor; E. Arthur — U.F.A. Co-op Delegate; Elmer Johnson — 2nd Vice-President of U.F.A. Co-op; C. Churchill — Wainwright Bulk Petroleum Agent; and visiting U.F.A. Delegate Ross Taylor.

CAMROSE

Wayne Houcher, manager of the Camrose Farm Supply, and "Open House" visitor discussing some of the U.F.A. Co-op products on display.

VERMILION "OPEN HOUSE"

Left to right: W. T. Garnett — Vermilion Agent; A. W. Lysons — Tolland Agent; Gerry McKay — Petroleum Area Supervisor; N. E. Jones — Dewberry Agent; D. Norman — Mannville Agent.

Our four bulk petroleum agents shown in the adjoining picture plus: seated left to right: U.F.A. Co-op's Delegate from Wainwright, E. N. Arthur, Director D. C. Manderson of Ryley and Delegate Ross Taylor from Vermilion.

D. C. Manderson, Gerry McKay and a guest at the "Open House" inspect one of the new pistol grip grease guns.

Everyone looks happy but the exceptionally bright smile belongs to Mrs. Joe Tarkash of Vermilion who won the door prize at the Vermilion "Open House".

THORSBY

Some of the large group who attended at Thorsby. Left to right: Ivor Baldwin — Edmonton Construction Supervisor; Mike Widynowski — Edmonton Farm Supply Centre; Mr. and Mrs. Wally Benson and young Mr. Benson (Wally's bulk petroleum agent at Thorsby); Ian MacKintosh — Petroleum Area Supervisor; Ewen McDonald — Director of U.F.A. Co-op.

Diminishes

PETROLEUM DIVISION OF U.F.A. CO-OP LTD.

GORDON CHISHOLM

LAWRENCE PROUDFOOT

BILL MARGACH

U.F.A. Co-op has made tremendous progress over the years. It is heartwarming and stimulating to look back and consider what has been accomplished in spite of difficulties and obstacles.

In 1935, 1,000,000 gallons of Maple Leaf Petroleum Products were marketed by U.F.A. Co-op. In 1966 there were over 59,000,000 gallons marketed.

There's a saying in the business world, "A small business has small headaches and a big business has big headaches." The Petroleum Division of U.F.A.

Co-op has grown into a "big business" and involves many complexities.

The efficient co-ordination of our 168 bulk plants stems from the Calgary Head Office. The Manager of the Petroleum Division is Mr. Lawrence Proudfoot. He is ably assisted by Mr. Bill Margach, Operations Manager, and Mr. Gordon Chisholm, Senior Supervisor.

The combined service years of these three men with U.F.A. Co-op is almost 55 years. The various positions they have held in our Organization have well equipped them for their responsible positions.

Quiz Corner

QUESTIONS

1. Spanish is the official language of two of these three Latin American countries. (a) Mexico; (b) Brazil; (c) Argentina.
2. An altimeter is used to measure: (a) Blood pressure; (b) Heat; (c) Altitude.
3. Modern machine tools cause unemployment. (a) True; (b) False.
4. What does U.S.S.R. stand for? (a) United States Soviet Russia; (b) Union of Soviet Socialist Republics; (c) United Soviet States of Russia.
5. One of these is a tool: (a) Augur; (b) Auger.

ANSWERS

1. (a) and (c) Portuguese is the language of Brazil.
2. (c) Altitude.
3. False. By increasing production and lowering cost of goods, machine tools broaden the market, thus increase employment.
4. (b) Union of Soviet Socialist Republics.
5. (b) Auger.

He: "What would I have to give you for one little kiss?"
She: "Chloroform".

CALGARY STAFF ASSOCIATION CHRISTMAS PARTY

It was a night to remember! ! !

Sparkling decorations, an excellent dinner, "made to dance to music", wonderful entertainment, all this plus the congenial company made the Calgary Staff Association party an outstanding highlight of 1966.

It took a lot of preparation to make this party the splendid success it was. "Hats off" to Morley Mullin, Betty Hummel, Fred Parsons and their helpers — Georgia Hines, Maxine Robertson, Brian Taylor, Colin Murray, Diana Bodie, Brenda Anderson, Betty McCullough and Judy Campbell for all their work.

Special note must be made of the unique Hat Fashion Show with special thanks given to the lovely models — Brenda Anderson, Betty McCullough, Maxine Robertson, Marlene Hanson, Twyla Sampert, Betty Hummel and their witty commentator Rita Mayes. One model just couldn't be described as lovely — (nice legs and a good sport — yes, but lovely, no) — that was Vic Willoughby.

An extra treat for the guests was the enjoyable singing of Jean and Brian Taylor, Morley Mullin, Lucy Riopelle, Art Jepps and Bernie Ouellette who entertained with their fine folk singing group. They delighted everyone, especially with their humorous songs.

All in all it was a gala evening. To the 200 guests who had such a memorable night — please stop a minute — don't be a "sidewalk commentator" but be grateful to the handful of people who gave their time and energy to make this evening a wonderful success.

Betty Hummel models one of the exclusive but inexpensive hats.
